## Physical Education Exam Revision Sessions

**Presenter : Rob Malpeli**

### Features of the program:

Each session is designed for students who want to maximise their full potential in the Physical Education Examination in 2021. Each session will offer comprehensive coverage of Unit 3 OR 4, with an emphasis on the content that is frequently misunderstood and application to exam style questions. Maximum student engagement will be encouraged during each session with Q & A active throughout with instant responses.

### Student bonus rewards:

All attendees will receive:

- A comprehensive notes booklet
- A practice exam (valued at \$110) with an opportunity for it to be cross-marked via zoom
- An "exam buster" 100 multi-choice q & a package
- A "top 10 exam mistakes & how to avoid them compendium, including a question breakdown analysis for last 5 exams.

### Program advantages

Students can:

- Select either Unit 3 or Unit 4
- Decide to attend multiple sessions
- Select a Unit 4 session to coincide with final SACs
- Start their revision early/during the holidays or at a time that suits them or their class
- Attend "back2back" Unit 3 & Unit 4 sessions
